INTERNSHIPS

OASIS infobyte | September 2023 - October 2023

- Java development involves writing software using Java's syntax and OOP principles, setting up an IDE like IntelliJ IDEA, and using tools like Maven for builds. Key areas include basic syntax, OOP, Java Standard Library, exception handling, and file I/O.

Oasis Infobyte | July 2023 - August 2023

- Develop web application using HTML, CSS, Javascript.
Tested and debugged code for compatibility across multiple browsers

---

PROJECTS

Number Guess game in java | September 2023 - October 2023

- A Number Guessing Game in Java is a console application where a player guesses a randomly generated number. The game provides feedback if the guess is too high or low, and continues until the correct number is guessed, displaying the number of attempts taken.

Portfolio using web development and design | July 2023 - December 2023

- I built a personal portfolio website using HTML, CSS, and JavaScript. The site features sections for my projects, skills, and contact information, with a responsive design and interactive elements for enhanced user experience.
